What happened this month...

Arran High School Green Show

Brilliant eco fun was had at AHS as all the pupils had chance to join in with eco activities throughout the day. This Green Show was co-hosted by ACLI and Eco-Savvy and we also invited COAST, Arran Bee Group, Arran Theatre and Arts Trust and Marvin Elliot to join in. Marvin did some creative carving to make signs which will go up around the Coastal Way. We also made green walls, plate pledges and #nowasteonmywaist tshirt designs.

Learning to lower carbon footprints the fun way!

Lamlash Primary Mini Green Show!

This eco-fun session was again co-hosted by ACLI and Eco-Savvy in early March. All the pupils joined in activities including pledge bunting, decoupage plate decoration, sewing an eco banner for our hub and a food miles activity (with local ice cream!). We were joined by COAST and Arran Bee Group for a great day of eco learning, creativity and fun!

Going forward..

As you may have heard, we were unsuccessful in our application for more funding and the current funding runs out at the end of March. Sadly all the staff contracts therefore end at this point. On behalf of Matt, Darren and myself I would like to thank everyone who has supported the project so far and wish the trustees all the best for the project in the future.

For contacts going forward, the trustees are:

Chair – Caroline McGinlay

Secretary – Rob Cowieson

Treasurer – Juliette Walsh

Trustee – Keith Robertson

If you would like to contact the project please email info@arranland.org

Regular updates are online on Facebook and (along with more formal info) on our website.
